

Marketplace

Leopold Chen

Overview

Marketplace in Singapore where Iggy fights Myla and chases after Rainer

Chaotic, maze-like, encourages exploration

Need to model:

- Singapore streets
- Market stalls (goods and food stalls)
- Lanterns
- Open eating area
- Spatial anomalies
- Space Relic portal

Marketplace Layout

Stalls are placed in between larger buildings

Lanterns

Modular, can place everywhere

Singular lanterns at stalls

Lantern strings above the stalls

Eating Area

Foldable tables and stools, good for open spaces

Stall shape

Flat roof, thin beams supporting sides

Food cart

Goods Stall Interior

Goods displayed along walls

Goods hanging on sides and top

Center table, boxes in back

Goods include lanterns, clothing,
toys, tourist souvenirs

Food Stall

Counter in front

Menu displayed on front all

Stove in back

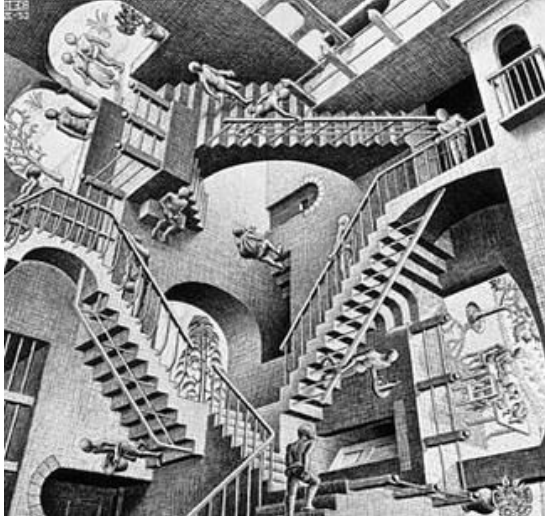

Warped Architecture

Aftermath of using the Space Relic

Floating stalls, warped buildings around stalls

Goods clipping through stalls

Relic Portal

Similar to Dr. Strange portal

Or thanos portal to make more menacing

Background Sounds

Vendors shouting

Intermittent shouting

Crowd chatter

Upbeat festival music
